MEMBERS CONFLICT RESOLUTION POLICY

Matthew 18 describes the biblical principle for resolving conflicts. As a faith-based organization committed to obeying God's Holy Word, all members of KHHC will implement the model set forth in Matthew 18, and will follow the procedures listed below for the conflict resolution.

Biblical Principle

"And if your brother sins, go and reprove him in private; if he listens to you, you have won your brother. But if he does not listen to you, take one or two more with you, so that by the mouth of two or three witnesses every fact may be confirmed. And if he refuses to listen to them, tell it to the church..." Matthew 18:15-17

Procedures

1. If a member of KHHC has a conflict with another member of KHHC he/she will speak directly to him/her about the problem. If the complainant is unsatisfied with the response, he/she will fill out a Concern Report with the co-op Liaison. Within 48 hours after receiving the Concern Report, the Director or her designee will contact the complainant, informing him/her that the Concern Report has been received. The complaint will be investigated and a determination will be provided in writing to all members involved.
2. Good faith required. In the event, it has been determined that a complaint has been filed maliciously and in bad faith, the filing of such complaint shall be deemed to be a serious offense.
3. All documents related to a conflict resolution process shall be retained by the co-op for a period of at least 5 years.

KHHC acknowledges that while we are not "the church", we are comprised of men and women representing the Body of Christ and that the wisdom found in Matthew 18 is applicable to effective organization culture.
