

KHHC High School Planning 2021-2022

High school planning can be difficult. Each student's abilities and interest can help shape a transcript; however, Texas has certain requirements for a diploma. Below is a list of the **MINIMUM** requirements for students who entered their freshmen year beginning in 2021-2022

This does not include all credits required because the track a student chooses will determine what additional classes are needed. This table will show the basics needed for any track. Please note: additional credits are required based on which endorsement a student pursues.

Class	Credits	KHHC classes offered
English Language Arts	Four credits: <ul style="list-style-type: none"> ● English I ● English II ● English III ● English IV 	American History & American Literature World Literature Formal Writing 1-Essay Formal Writing 2- Research Paper (Online) Creative Writing via Short Stories
