

PK-K Class Descriptions

(DEPOSITS ARE DUE 4/26) CLASSES THAT DON'T MEET THE MIN WILL BE CLOSED ON 4/26

Class Title	Instructor	Deposit	Tuition Amount	Class Description	Prerequisite	Basic skills requirement	Estimated homework hours	Required Materials or Books
ABC'S with LEGO DUPLO	Alison Strew (astrew2000@gmail.com)	\$30	\$33.75	Watch your preschoolers eyes light up as they dig into a pile of DUPLO bricks! Each week children will build a simple model based on the letter of the week, while practicing essential preschool skills including letter recognition, patterning, colors, counting, positioning and ordering, and much more!				
Artsy Einsteins	Shannon Boyd (boydshouse@yahoo.com)	\$45.00	\$33.75	Bring your preschooler for an art, book and critical thinking adventure each week! We will have a story each week, talk about character traits, and then complete a fun art project to go along with it. We will then be "little einsteins" and use our brains to complete a critical thinking activity. It's smart art with a brainy twist!!				Provided by teacher
Cook with Books	Audra Tibboel (tibbon00@yahoo.com)	\$40 per semester	\$33.75	Come join me as we read classic literature each day and then follow up with a basic cooking extension that relates to the story. For example we might read, "If You Give a Pig a Pancake" and then make simple pancakes. The students will learn mixing, measuring, spreading, cutting, and other cooking basics along with cooking terminology. However, during our reading time, I will also include basic reading skills, math skills, character building questions, and other extensions that naturally relate to the story. Each child will also build a keepsake recipe book with the recipes from our stories.				3 ring binder and apron
Exploring God's World	Jodi Green (jodi@casagreen.com)	\$40	\$33.75	Get ready to go on a journey of exploration of God's great world! Through engaging lessons, hands-on activities, and experiments, students will have a chance to learn what a scientist does as well as learn about the world around them, including: living and non-living things, life cycles, plants and animals, human senses, the weather, water, seasons, light, colors, oceans, space, and more.				Supplied by teacher
Let's Learn to Read!!!	Karen Rose (krrose@gmail.com)	\$35	\$39.50	Don't let your 4 & 5 year olds limited fine motor skills hold back their ability to learn to read! In this phonics based class your students will sing their way to reading fluency! Using a multi-sensory approach, including game play, manipulatives, songs, and written materials. We will conquer three letter words, beginning sight words and some consonant blends. By the end of the year students will be reading Kindergarten books! Pre-requisites: In order to be successful in this class students should have working knowledge of most letter names and letter sounds when they START the class. This demonstrates their readiness to begin reading. a knowledge of ALL letter names and sounds is required	a knowledge of ALL letter names and sounds is required	a knowledge of ALL letter names and sounds is required	1	Sing Spell Read Write Kindergarten Reader Set - ISBN: 9781567046144
Preschool playspace (Age 2 & Under)	Shanna Pritchett (cowlectibles@yahoo.com)	None	\$33.75	Preschool playtime allows children to play with the guidance of the teacher. We will focus mainly on social skills (learning to be away from mom and dad, sharing, speaking up about our needs, and interacting with others). Great childcare opportunity for our moms participating in the Yoga Moms class.
