<b>Private Violin Lessons</b>	Makenna Riley (makennamariemusic@gmail.com)	\$10	\$90	<p>In private violin lessons, the goal is to help the student grow through music. The most effective strategy is including a parent in lessons, regardless of any previous music experience. Being included in their child's lesson, parents will be equipped to help their child practice at home.</p> <p>Class is designed to teach the technique, music theory, tone, and posture which leads to beautiful music at the student's pace. While learning by ear is incredibly effective, the student will also develop note reading as they progress.</p>	Knows the alphabet.	Beginners should expect to practice 30 minutes daily.	<p>Pencil, notebook, violin, and shoulder rest must be brought to every lesson. A music stand and CD player is recommended for home practice. I will provide Suzuki Violin Volume 1 with CD to beginners.</p> <p><b>*Do not buy a violin on Amazon*</b>                      To Rent: Music Shop at Rockwall  <a href="http://www.themusicshopatrockwall.com">http://www.themusicshopatrockwall.com</a>                      To Purchase: J. R. Rury Violins in Richardson.  <a href="https://www.jayruryviolins.com/home.html">https://www.jayruryviolins.com/home.html</a></p> <p>Please contact me so I can help you through either process. It can feel overwhelming to go alone and I would love to meet you before co-op starts.</p>
